TBOSS-SLB Install Guide

The TRUCKBOSS SIDE LOAD BAR is easily removable and intended to enable side loading and unloading of ATVs onto your TRUCKBOSS deck surface. The TBOSS-SLB comes as a set of 3 bars, intended to be positioned at the front, rear, and center of your deck side.

The TBOSS-SLB may be used as tie-downs along the sides of your TRUCKBOSS.

When 2 sets of TBOSS-SLB are employed (one set per side) the effective height of the deck side is increased to 6”.

Side Load Bar Installation:

Your Side Load Bar Assembly will consist of the following parts:
